

Car Dealership-Affiliated Mighty Franchisee Adds Second Location in Arkansas

Peachtree Corners, GA – August 3, 2021 – Mighty Distributing System is proud to announce that Cavanaugh Auto Group has added a second Mighty Auto Parts franchise. The newest portfolio company, doing business as Mighty of NWA, will be based in Springdale near the growing communities of Bentonville and Fayetteville and serve as the exclusive distributor of Mighty automotive products for nine counties in Northwest Arkansas.

The Cavanaugh Auto Group began in 1978 when Don Cavanaugh and his father, Charles, acquired a Ford dealership in Black Rock, AR (30 miles NW of Jonesboro). Today, Don and his two sons, Matt and Donny, operate nine new and used automobile dealerships, two quick service shops, and two car and truck rental facilities.

As with their other Mighty franchise based in Jonesboro (Mighty of NEA), Cavanaugh's second franchise will be the exclusive distributor of Mighty's preventive maintenance products, detailing products, equipment, and shop supplies to automotive businesses in Northwest Arkansas.
